

TDP-29-WT

## Water Heater 29" Trench Drain Pan - White

Product image; coloring & scale may vary.

**29 × 25**

INCH FOOTPRINT

**1**

INCH WALL HEIGHT

**18 GA**

WHITE POWDER COAT

An open-front water-heater drain pan with an entry-side trench. The open front allows equipment to be moved into position without lifting it over a full-height pan wall.

### Technical specifications

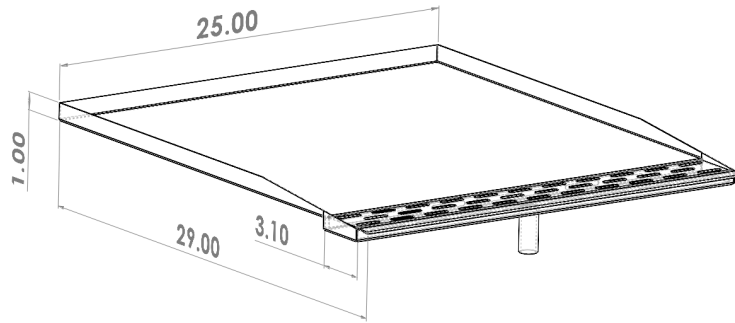

|                  |                                                   |
|------------------|---------------------------------------------------|
| Pan dimensions   | 29 in deep × 25 in wide × 1 in high               |
| Material         | Steel                                             |
| Thickness        | 18 gauge / 0.05 in                                |
| Finish           | White powder coat                                 |
| Drainage feature | Entry-side trench with perforated cover           |
| Drawing callout  | 3.10 in at the front trough; see dimensional view |

#### Application note

Keep the entry trench and drain path clear. The 3.10 in callout is reproduced as shown; it is not a separately stated usable-footprint dimension. Do not infer the outlet thread size from the drawing.

## Water Heater 29" Trench Drain Pan - White

TDP-29-WT | 29 × 25 × 1 in steel trench pan; 18 gauge / 0.05 in; white powder coat; open-front entry.

Dimensional illustration is not to scale.
